

TABLE OF CONTENTS

Preface	xvii
Introduction	xix
PART I: INTRODUCTION TO HOMEOPATHY	1
Chapter 1. The Law of Similars and Its Implications	3
The Law of Similars	3
Provings	4
The Homeopathic Materia Medica	4
The Totality of Symptoms	6
The Single Remedy	7
The Minimum Dose	7
The Laws of Cure	8
Chapter 2. Remedies and Patients	11
Homeopathic Pharmacy	11
Case Taking	12
Interrogation	13
Selecting the Remedy	15
Regimen and Precautions	16
Administration and Dosage	17
Reactions to the Remedy	19
Homeopathy: Pros and Cons	20
What Patients Can and Cannot Expect	21

PART II: MATERIA MEDICA	23
Chapter 3. Two Childbirth Remedies	29
CAULOPHYLLUM	29
Uterine Dysfunction	29
Muscular Weakness and Trembling	30
Neuralgic and Rheumatic Pains	31
Miscellaneous Symptoms	31
Therapeutics	32
CIMICIFUGA	34
Uterine Dysfunction	34
Pessimism, Fear, and Mental Fragmentation	34
Fragmentation and Alternation of Physical Symptoms..	36
Nervous Excitation and Choreiform Movements.	36
Pain: Headache, Neuralgia, Rheumatism, Arthritis.	37
Miscellaneous Symptoms	37
Differential Diagnosis	37
Therapeutics	38
Chapter 4. Two Female Remedies	41
PULSATILLA	41
Easy Changeability	41
Emotional Sincerity	42
Heat, Cold, and Circulatory Instability	43
Restlessness	44
Catarrhal Inflammation	44
Indigestion	45
Genital, Reproductive, and Hormonal Imbalance.	46
Therapeutics	47
SEPIA	50
Uterine Prolapse and Bearing-Down Pains	50
Sagging Muscles and Tissues	51
Depression and Irritability	51

Nausea and Indigestion	53
Need for Physical Exercise	53
Genitourinary Symptoms	54
Miscellaneous Symptoms	54
Therapeutics	55
Chapter 5. Six Acute Remedies	59
ARNICA	59
Blunt Trauma: Bruising, Bleeding, and Shock	59
Therapeutics	60
ACONITE	61
Suddenness and Violence	62
Fear and Palpitations	62
Fever and Inflammation	62
Therapeutics	63
BELLADONNA	64
Suddenness and Violence	64
Brain and Autonomic Nervous System Excitation	64
Fever and Inflammation	65
Therapeutics	66
CHAMOMILLA	67
Irritability and Intolerance of Pain	67
Digestive Disturbances	68
Therapeutics	69
GELSEMIUM	70
Acute Inflammation and Fever: Flu Syndrome	70
Muscular Weakness and Nervous Excitement	71
Miscellaneous Symptoms	72
Therapeutics	72
CALENDULA	73
Therapeutics	73

Chapter 6. Eight Common Remedies	75
Two Nervous Remedies	75
IGNATIA	75
Grief, Sorrow, and Disappointed Love	76
"Impossible" or Contradictory Symptoms	77
Drug Sensitivity, Intolerance, and Abuse	78
Miscellaneous Symptoms	78
Therapeutics	78
NUX VOMICA	80
Nervous Hyperstimulation	80
Aggressive, Addictive, and Compulsive Behavior	81
Digestive, Rectal, and Bowel Disturbances	82
Miscellaneous Symptoms	82
Therapeutics	83
Two Connective Tissue Remedies	83
BRYONIA	83
Tissue Affinities	83
Fever with Acute or Subacute Inflammation	84
Aggravation from Movement	84
Irritability and Intolerance of Stimulation	85
Miscellaneous Symptoms	86
Therapeutics	86
RHUSTOX	87
Tissue Affinities	87
Modalities of Motion and Rest and Changes in Weather and Climate	88
Miscellaneous Symptoms	89
Therapeutics	89
Two Antispasmodic Remedies	91
MAGNESIA PHOSPHORICA	91
Cramps and Spasms Relieved by Heat and Pressure	91
Therapeutics	92

COLOCYNTHIS	94
Neuralgic Pain Relieved by Hard Pressure and Heat	94
Anger and Irritability	94
Colitis and Irritable Bowel Syndrome	95
Therapeutics	96
STAPHYSAGRIA	97
Surgical Wounds	97
Ailments from Suppressed Anger	98
Colitis and Irritable Bowel Syndrome	99
Inflammation of the Genitourinary Tract	100
Therapeutics	100
CARBO VEGETABILIS	101
Deoxygenation, Decay, and Putrefaction	101
Indigestion, Gas, and Bacterial Action	102
Miscellaneous Symptoms	103
Therapeutics	103
Chapter 7. Seven Universal Remedies	105
SULPHUR	105
Yin and Yang: Heat and Energy Phenomena	106
Itching and Skin Eruptions	107
Miscellaneous Keynotes	106
Therapeutics	108
CALCAREA CARBONICA	109
Infancy and Childhood: Delayed Growth and Development	109
Chronicity: Protracted, Recurrent, and Relapsing Complaints	110
Miscellaneous Keynotes	111
Therapeutics	111
LYCOPODIUM	112
Bilateral Asymmetry	112
Circadian Variations	113

Anxiety, Fear, and Hypochondriasis	114
Miscellaneous Keynotes	115
Therapeutics	115
LACHESIS	116
Bilateral Asymmetry	117
Sleep Disturbances	118
Choking and Constriction from Touch, Pressure, and Tight Clothing	118
Internal Tension Relieved by External Discharge	119
Tissue Affinities	120
Miscellaneous Symptoms	120
Therapeutics	121
ARSENICUM ALBUM	122
Fatigue, Exhaustion, and Restlessness	122
Coldness and Lack of Vital Heat; Burning Pains Relieved by Heat	122
Insecurity: Fear, Anxiety, and Obsessive-Compulsive Behavior	122
Miscellaneous Keynotes	123
Therapeutics	124
PHOSPHORUS	125
Tissue Affinities	126
Fear, Empathy, and Imagination	127
Miscellaneous Keynotes	128
Therapeutics	128
NATRUM MURIATICUM	129
Ailments from Grief	130
Miscellaneous Symptoms	131
Therapeutics	132

PART III: THERAPEUTICS	135
Chapter 8. Early Pregnancy: First Trimester	139
Miscarriage and Infertility	139
Additional Remedies:	
SABINA	142
CHINA	143
Abortion	144
Nausea and Vomiting	144
Additional Remedies:	
COCCULUS	150
COLCHICUM	151
IPECAC	152
SYMPHORICARPUS	153
Anemia and Malnutrition	153
Exercise and Regimen	156
Cystitis	158
Additional Remedies:	
CANTHARIS	159
Emotional Problems	159
Chapter 9. Late Pregnancy	167
Second Trimester	167
Vaginitis	167
Additional Remedies:	
NITRIC ACID	169
SANICULA	170
Genital Herpes	170
Additional Remedies:	
MERCURIUS	172
THUJA	172
Digestive and Bowel Complaints	173
ROBINIA	178

Pelvic Pain	178
Additional Remedies:	
LILIUM TIGRINUM	180
PALLADIUM	181
PLATINA	181
Two Important Remedies for Late Pregnancy	182
SULPHUR	182
KALI CARBONICUM	183
Third Trimester	185
Arthritis, Neuralgia, and Rheumatism	186
Additional Remedies:	
LEDUM	189
RUTA	190
Hemorrhoids	190
Additional Remedies:	
AESCULUS	191
HAMAMELIS	192
Varicosities	192
Abnormal Presentation	193
Bleeding	195
Hypertension and Toxemia of Pregnancy	195
Additional Remedies:	
APIS	197
Chapter 10. Labor and Childbirth	199
The Initiation of Labor	200
Premature Labor	200
"False" Labor	201
Late Onset and Postmaturity	202
Spontaneous Rupture of Membranes	204
The Conduct and Management of Labor	204
The Stages of Labor	204
Monitoring the Labor	205

The First Stage	206
Failure to Dilate: Prolonged, Difficult, or Dysfunctional Labor	206
Emergencies	214
Second Stage	216
Problems of Expulsion	216
Preparation for Delivery	218
Resuscitation and Care of the Newborn	218
Additional Remedies:	
CAMPHORA	222
ANTIMONIUM TARTARICUM	223
LAUROCERASUS	223
OPIUM	223
DIGITALIS	223
Third or Placental Stage	224
Retained Placenta	224
Perineal Contusions and Lacerations	226
Postpartum Bleeding	227
Additional Remedies:	
SECALE	233
Chapter 11 . The Newborn Period	235
Postpartum Care	235
After-Pains	235
Prolapse	238
Additional Remedies:	
CAUSTICUM	239
OPIUM	239
RUTA	240
Phlebitis	241
Postpartum Infection	243
Additional Remedies:	
PYROGENIUM	245

Depression and Emotional Problems	247
Late Bleeding and Subinvolution	249
Miscellaneous Complaints	252
The Newborn	254
Umbilical Care	254
Jaundice	254
Additional Remedies:	
NATRUM SULPHURICUM	255
CHELIDONIUM	256
Hemorrhagic Disease of the Newborn	256
Conjunctivitis	257
Colic and Milk Intolerance	257
Additional Remedies	
STANNUM	261
DIOSCOREA	261
AETHUSA	261
Failure to Thrive	262
Lactation and Nursing	262
Involution	262
Additional Remedies:	
LAC CANINUM	263
Cracked and Sore Nipples	263
Additional Remedies:	
CASTOR EQUI	263
HEPAR SULPHURIS	264
SILICA	264
Breast Infections	265
Additional Remedies:	
PHYTOLACCA	26c
Notes	271
Appendix: Suggestions for Further Reading	271
Index	28:
