

Homeopathy and Mental Health Care

Integrative Practice, Principles and Research

Christopher K. Johannes PhD & Harry E. van der Zee MD Hom, Editors

Table of Contents

Section 1: Introduction

Chapter 1 Exploring the Role of Homeopathy in Reducing the Global Mental Health Burden

Dr. Manish Bhatia, India

- 1 Introduction
- 2 Status of global mental health
- 3 Where the elixir did not work!
 - 3.1 Antidepressants
 - 3.2 Selective serotonin reuptake inhibitors
 - 3.3 Antipsychotics
 - 3.4 Benzodiazepines
- 4 Homeopathy – a different approach
 - 4.1 Use and prevalence
 - 4.2 Underlying philosophy
 - 4.3 Studying the psychological effects of medicines
 - 4.4 Tracing the importance of mental health in homeopathy
 - 4.5 Research evidence
 - 4.5.1 General evidence for homeopathy
 - 4.5.2 Efficacy in various diseases
 - 4.5.2.1 Anxiety and depression
 - 4.5.2.2 ADHD
 - 4.5.2.3 Drug abuse
 - 4.5.2.4 Insomnia
 - 4.5.2.5 Stress
 - 4.5.3 Improvement in co-morbidity
 - 4.5.4 Improvement in general well-being, quality of life and patient satisfaction
 - 4.5.5 Research on microdilutions
 - 4.5.6 The safe choice
 - 4.5.7 Cost-effectiveness
 - 4.6 Challenges in homeopathic research & the road ahead
 - 4.6.1 The research bias

- 4.6.2 The question of research methodology
- 5 Integration
- 6 Conclusion

Chapter 2 The Homeopathic Healing Process, Transformational Outcomes, and the Patient-Provider Relationship

Iris R. Bell, MD PhD MD(H) and Mary Koithan, RN PhD, USA

- 1 Overview of transformational change
- 2 Transformation in healthcare and homeopathy
 - 2.1 Case examples
 - 2.2 The multidimensional nature of patient outcomes in homeopathic treatment: inclusion of the physical domain in transformation
 - 2.3 The role of the patient-provider relationship in homeopathic care and transformative outcomes
- 3 Conclusions

Chapter 3 Wholistic, Spiritual Aspects of Homeopathy

Daniel J. Benor, MD ABIHM, Canada

- 1 Spirituality
- 2 Holistic healing
- 3 Homeopathy as a holistic practice that includes spirituality
 - 3.1 Imponderable/meditative/symbolic/metaphoric remedies
 - 3.2 Homeopathic remedies as radionics treatments
 - 3.3 Holistic evidence from other complementary/alternative therapies
 - 3.4 Mental projection of homeopathic remedies
 - 3.5 Theories to explain spiritual aspects of homeopathy
 - 3.6 Contributions of holistic, spiritual awareness in homeopathy
- 4 In Summary

Chapter 4 Was Hahnemann the Real Pioneer of Psychiatry?

Peter Morrell, BSc MPhil PGCE, United Kingdom

- 1 Introduction
 - 1.1 Johann Christian Reil (1759-1813)
 - 1.2 Philippe Pinel (1745-1826)
 - 1.3 William Tuke (1732-1822)
- 2 Treatment of Klockenbring
- 3 In the Organon, Hahnemann on so-called 'mental diseases'
- 4 Discussion
 - 4.1 Vitalist predecessors

Section 2: Integration, Case Applications, and Therapeutic Process

Chapter 5 Homeopathic Treatment of Children with Behavioural and Learning Problems

Judyth Reichenberg-Ullman, ND DHANP LCSW & Robert Ullman, ND DHANP, USA

- 1 Overview of clinical experience
- 2 Why homeopathic treatment?
- 3 Homeopathic treatment
 - 3.1 Case taking
 - 3.2 Case analysis
 - 3.3 Homeopathic prescription and case management
 - 3.4 Course of treatment
- 4 Illustrative cases
 - 4.1 Case a thirteen-year-old-boy with oppositional-defiant disorder
 - 4.2 An interesting teaching case: finding the simillimum
 - 4.3 Case: a fascination with blood and gore
 - 4.4 Case of a perfectionistic child with attention deficit disorder
- 5 What to expect from homeopathic care

Chapter 6 Homeopathic Treatment of Multiple Personality Disorder

Dr Philip M. Bailey, MbBs MFHom DipHyp, Australia

- 1 Introduction
- 2 Multiple Personality Disorder
- 3 Case examples
 - 3.1 Wendy
 - 3.1.1 Mandragora (Mandrake root)
 - 3.1.2 Follow-up
 - 3.2 Sabine
 - 3.2.1 Follow-up
 - 3.3 Diedre
 - 3.3.1 Boron
 - 3.3.2 Follow-up
- 4 Conclusion

Chapter 7 Homeopathic Treatment for Post-Traumatic Stress Disorder

Edward Shalts, MD DHt ABPN ABHT ABHM, USA

- 1 Introduction
- 2 History of PTSD
- 3 Official criteria for PTSD
- 4 Types of PTSD

- 5 Examples of traumas that can lead to PTSD or acute stress disorder
- 6 Conventional treatments for PTSD and acute stress disorder
- 7 Homeopathic approach to PTSD
- 7.1 Main principles of homeopathic approach to treatment of PTSD
 - 7.1.1 Acute stress disorder
 - 7.1.2 Acute and delayed onset PTSD
 - 7.1.3 Homeopathic approach to PTSD in children
 - 7.1.3.1 Case of Mancinella
- 8 Conclusion

Chapter 8 Healing Collective Trauma with Homeopathy: Applying the Genus Epidemicus Approach to Trauma

Harry E. van der Zee, MD Hom, Netherlands

- 1 Introduction
- 2 The principles of homeopathy
- 3 As if one person
- 4 Miasms
 - 4.1 Infectious diseases and miasms
 - 4.2 Miasms and process
 - 4.3 The logic of miasms
 - 4.4 A new source
- 5 Collective trauma
 - 5.1 Genocide in Rwanda
 - 5.2 Second-generation Holocaust trauma: case of a 55-year-old woman with a deep pain
 - 5.3 Trauma and miasm
 - 5.4 The trauma of war in Africa
 - 5.5 The trauma of rape in Africa
 - 5.5.1 A case of rape and gonorrhoea
 - 5.5.2 The raped women of Bukavu
- 6 Conclusion
 - 6.1 Follow the river to its source
 - 6.2 Impossible?

Chapter 9 Homeopathic Prescribing Strategy for Patients Taking Psychotropic Medications

Edward Shalts, MD DHt ABPN ABHT ABHM, USA

- 1 Introduction
- 2 Management of conventional medications
- 3 How to administer homeopathic remedies to patients on conventional medication
- 4 Role of illicit drugs in treatment of mental illness

5 Conclusion

Chapter 10 The Homeopathic Counsellor: Beyond the remedy

Christopher K. Johannes, PhD, DHM HD(RHom) MARH NCC LPC LMHC, Japan

- 1 Homeopathy's underutilized role in mental health care
- 2 The idea of the homeopathic counsellor
- 2.1 Something more: mental health benefits beyond the remedy
- 2.2 Even more: integrated mind-body-spirit health
- 3 Do we need a recognized homeopathic counsellor?
- 4 Ideas into action

Chapter 11 From Unprejudiced Observer to Narrative Facilitator: Rogers' Person-Centred Approach and the Homeopathic Consultation

Ian Townsend MA RSHom, United Kingdom

- 1 Introduction
- 2 Rogers' PCA model
- 2.1 Rogers' six conditions
- 2.1.1 Making psychological contact
- 2.1.2 Vulnerable client, resourceful practitioner
- 2.1.3 Core condition 1: unconditional positive regard (UPR)
- 2.1.4 Core condition 2: empathy
- 2.1.5 Core condition 3: congruence
- 2.1.6 Communication: client awareness
- 2.2 Putting it all together: the idea of single configuration
- 3 Summary

Chapter 12 Integrating Psychotherapy and Homeopathy: A means of determining the needs of the vital force

Kenneth Silvestri, EdD CCH RSHom(NA), USA

- 1 Introduction
- 2 The ingredients to integrate homeopathy and psychotherapy
- 2.1 Celebrating interpersonal communication
- 2.1.1 Implications
- 2.2 Understanding context and systemic treatment
- 2.2.1 Implications
- 2.3 Explore psychology
- 2.4 Mindfulness, forgiveness, and health
- 2.4.1 Selected "forgiveness remedies"
- 2.4.2 Implications
- 2.5 Respect constitution and temperament
- 2.5.1 Implications

- 2.6 Allow collective connections
- 2.6.1 Implications
- 3 Genogram format (McGoldrick, 1995) and case example
- 3.1 Implications
- 3.2 Case example
- 4 Conclusion

Chapter 13 Unlocking the Door to Human Potential - A Jungian Perspective on the Treatment of Emotional Disorders with Homeopathy

Jane Tara Cicchetti, RSHom(NA) CCH, USA

- 1 Introduction
- 2 An early childhood dream
- 2.1 Case analysis
- 2.2 Follow-up
- 3 Conclusion

Chapter 14 Homeopathy as a Tool for Personal Evolution

Hannah Albert, ND, USA

- 1 Introduction
- 2 Methodology
- 2.1 What I seek in the interview
- 2.2 What happens with treatment
- 3 Case study
- 3.1 Assessment
- 3.2 About miasms
- 3.3 Homeopathic prescribing
- 3.4 Follow-up
- 4 Conclusion

Chapter 15 Treatment of Mental Diseases, a Clinical Diary

Dr. Seema, BHMS MD Hom, India

- 1 Introduction
- 2 Excerpts from the case diary
- 3 Conclusion

Chapter 16 Using the Tools of Traditional Chinese Medicine Diagnosis to Prescribe Homeopathic Remedies in Psychological Cases

Dr. Joseph Rozencwajg, MD PhD NMD, New Zealand

- 1 Introduction

- 2 Yin and Yang
- 3 The five elements
- 4 The seven emotions as causes of disease and their relations to organs/functions
- 5 Tongue diagnosis
- 6 Pulse diagnosis
- 7 Some remedies
- 8 Conclusion

Section 3: Research, Ethics, and Theory

Chapter 17 Is Homeopathy Useful in Psychotherapy?

Jane A. Ferris, PhD, USA

- 1 Introduction
- 2 The research
 - 2.1 Observations
 - 2.2 Alchemical process: impact of research
- 3 Conclusions

Chapter 18 Research Issues in Homeopathy in Mental Health

Corina G uthlin, PhD, Germany & Harald Walach, PhD, United Kingdom

- 1 Introduction
- 2 Research in homeopathy
 - 2.1 Research in homeopathy and mental health care
 - 2.1.1 Basic research
 - 2.1.2 Systematic reviews and randomized controlled studies
 - 2.1.2.1 Randomized controlled trial in depression and anxiety
 - 2.1.2.2 Randomized controlled trial in chronic fatigue syndrome
 - 2.1.2.3 Randomized double-blind placebo-controlled crossover trial in attention deficit hyperactivity syndrome
 - 2.1.2.4 Randomized controlled double-blind pilot study on premenstrual syndrome
 - 2.1.3 Various other types of studies
 - 2.2 A practical guide to research
- 3 Conclusion

Chapter 19 Ethical and Practical Implications for Homeopaths in Mental Health Care

Kate Chatfield, MSc RSHom & Joy Duxbury, PhD, United Kingdom

- 1 Introduction
- 2 Ethics in medicine

- 2.1 Respect for Autonomy
- 2.2 Beneficence
- 2.3 Non-maleficence
- 2.4 Justice
- 3 Ethics in treatment of people with mental health problems
- 4 The survey
- 4.1 Question: Please tell us about factors that you believe can help or hinder treatment of patients with mental health problems
 - 4.1.1 Collaborative working and support
 - 4.1.2 Allopathic Medication
 - 4.1.3 Compliance
 - 4.1.4 Recreational drugs
- 4.2 Question: Please tell us about any challenging situations that have resulted from treating patients with mental health problems
 - 4.2.1 Safety
 - 4.2.2 Reactions to case taking and treatment
 - 4.2.3 Boundary issues
- 4.3 Implications
 - 4.3.1 Education and training
 - 4.3.2 Collaboration and integrated practice
 - 4.3.3 Study limitations and recommendations
- 5 Summary

Chapter 20 Neuro-Psychical (Dis)Orders and Homeopathy: Biophotonic Connections

Prof. Dr. Traian D. Stănciulescu, Romania

- 1 Instead of an introduction: towards a (meta)physical synergy
- 2 Fundamentals of biophotonics: a necessary synthesis
 - 2.1 Theoretical roots of healing by light
 - 2.2 The model of hierarchical energy-information traps: on the genesis of the profound resources of human health
- 3 Neuro-psychical (dis)orders: a biophotonic approach
 - 3.1 Neuro-mental mechanisms of human health
 - 3.2 Neuro-mental illness: biophotonic connotations
- 4 Homeopathic therapy for neuro-psychic disorders: the integrative assumption of biophotonics
 - 4.1 On the mechanism of resonance by light: "*similia similibus curentur*"
 - 4.2 The homeopathic mechanism of neuro-psychic therapy: the release by resonance of energy-information traps
- 5 Summary of a healing process and practical implications
