ACKNOWLEDGEMENTS	x i
FOREWORD BY DR T. P. PASCHERO	x ii
PREFACE	x v
NOTE	xviii
1. INTRODUCTION	1
Pathogenesis and Medicine	2
The Search for the Patient through the Repertory	4
The Value of Symptoms	11
The Miasmatic Significance of Symptoms	16
<i>Comparative Materia Medica</i>	
2. LYCOPODIUM CLAVATUM	
Description	20
Delusions and Sensations	30
Dreams	31
Summary	32
Low Self-Esteem	32
Compensatory Pride	32
Perfectionism	32
Anticipatory Anxiety	33
Contradiction	33
Irritability	33
Mortification	33
Paradoxical Emotional Problems	34
Release of Tension	34
Intellectual Deficiency	34
Physical Congestion	35
Fears	35
Nervous Reactions	36

Contents

Mental Deterioration	36
Schematic Diagram and Repertorisation	37
Comparative Materia Medica	42
Au rum	42
Ignatia	43
Nux Vomica	44
Mercurius	45
Natrum Carbonicum	46
Ferrum Metallicum	47
Stramonium	48
Veratrum Album	49
Silicea	51
Thuja	51
Anacardium	52
Alumina	53
Bryonia	53
Causticum	55
China	55
Hyoscyamus	57
Lachesis	59
Sepia	60
Oleander	60
Phosphorus	62
Pulsatilla	64
Sulphur	65
Nitricum Acidum	66
3. SILICEA	
Description	68
Summary	77
Lack of Self-Confidence	77
Anticipatory Anxiety	77
Perfectionism	77
Weakness of Intellect	77
The Inner Child	78
Frustration	78
Hypersensitivity	78
Schematic Diagram and Repertorisation	78
Comparative Materia Medica	84
Lycopodium	84
Ignatia	84

Contents

Nux Vomica	85
Bryonia	85
Arsenicum	85
Aurum	86
Calcarea Carbonica	87
Causticum	87
China	87
Hyoscyamus	88
Natrum Carbonicum	88
Phosphorus	89
Pulsatilla	89
Sulphur	89
Baryta Carbonica	90
Kali Carbonicum	90
Natrum Muriaticum	91
Thuja	91
4. THUJA OCCIDENTALS	
Description	92
Dreams	99
The General Picture	101
Summary	102
Secrecy	102
Mistrust	102
Ritualistic Behaviour	102
Guilty Conscience	103
Inner Duality	103
Positive Aggression	104
Negative Aggression	105
Mental Deterioration	105
Turning Inwards	106
Sensitivity to Music	106
Suicidal Despair	106
Dreams	107
Schematic Diagram and Repertorisation	107
Comparative Materia Medica	112
Nux Vomica	112
Aurum	114
China	115
Natrum Carbonicum	116
Stramonium	117

Contents

Baryta Carbonica	118
Bryonia	119
Ferrum Metallicum	120
Ignatia	120
Lycopodium	121
Pulsatilla	122
Sepia	123
Silicea	124
Sulphur	125
Veratrum Album	126
5. MEDORRHINUM	
Description	127
Delusions and Sensations	134
Dreams	134
The General Picture	135
Symptoms found in Kent's <i>Repertory</i>	138
Symptoms of Medorrhinum that should be added to Kent's <i>Repertory</i>	141
Summary	145
Emotional Instability	145
Fear	145
Anticipatory Anxiety	145
Premonitions	146
Weakness of Memory	147
Mental Dullness	147
Schematic Diagram and Repertorisation	150
Comparative Materia Medica	151
Arsenicum	151
Ignatia	156
Natrum Muriaticum	157
Nux Vomica	157
Phosphorus	158
Thuja	160
Argentum Nitricum	161
Bryonia	162
Calcareo Carbonica	163
Natrum Carbonicum	164
Phosphoricum Acidum	166
Pulsatilla	166
Sulphur	168

Contents

NATRUM MURIATICUM

Description	169
Delusions and Delirium	176
Dreams	177
Insomnia	177
Summary	178
Need for Affection	178
Resentment	178
Irritability	178
Guilt	179
Anxiety	179
Fears	179
Excitability	180
Nervous Reactions	180
Desire to Escape	181
Desire for Solitude	181
Sensation of Isolation	181
Absent-Mindedness	182
Emotional Discharge	182
Suppression and Expression of Emotions	182
Inability to Concentrate	183
Weakness of Memory	183
Grief	184
Despair	184
Delusions	185
Dreams	185
Schematic Diagram and Repertorisation	186
Comparative Materia Medica	187
Staphysagria	187
Ignatia	192
Lycopodium	193
Nux Vomica	194
Platinum	194
Sepia	196
Belladonna	197
Conium	198
Phosphorus	199
Aurum	200
China	201
Hyoscyamus	202
Lachesis	203

Contents

Nitricum Acidum	203
Pulsatilla	204
Sulphur	205
Natrum Carbonicum	206
7. KALI CARBONICUM	
Description	207
Anxiety and Irritability	208
Fear and Anger	209
Vulnerability and Self-Assertion	210
Depression, Despair and Excitability	212
Delusions, Sensations and Dreams	214
Summary	215
Lack of Self-Confidence	215
Changeability	216
Apprehension	216
Irritability	217
Fear	217
Nervous Reactions	217
Sensitivity	218
Anger	218
Need for Others	219
Self-Assertion	220
Depression and Excitability	220
Weeping	221
Uncommunicativeness	221
Indifference	221
Despair	222
Delusions and Sensations	222
Dreams	222
Schematic Diagram and Repertorisation	223
Comparative Materia Medica	228
Nux Vomica	228
Belladonna	229
Calcarea Carbonica	230
Causticum	230
Lycopodium	231
Mercurius	232
Phosphorus	232
Arsenicum	233
Bryonia	234

Contents

Hepar Sulphuris	235
Pulsatilla	2%
Sepia	236
8. LACHESIS	
Description	238
Basic Anxiety	239
Sycotic Defence Mechanism	242
Love	244
Fear	245
External Manifestations	245
Other Forms of Fear	247
Other Characteristics	248
The Spiritual Level	250
Summary	251
Anxiety	251
Difficulties of Concentration	251
Memory	252
Mistakes	252
Confusion and Vanishing of Thoughts	253
Speech Problems	253
Anger	253
Productivity	254
Aspects of Sycotic Aggression	255
Emotional Relationships	256
Unhappiness in Love	256
Fear	257
Delusions	257
Sense of Control by Superhuman Forces	258
Sensitivity to Surroundings	259
Emotional Vulnerability	260
Effects of Anger	261
Persecution Complex	262
Delirium	262
Emotional Instability	263
Symptomatic Diagram and Repertorisation	264
Comparative Materia Medica	265
Lycopodium	265
Aurum	270
Natrum Muriaticum	271
Nux Vomica	273

Contents

Veratrum Album	273
Causticum	275
China	276
Hyoscyamus	277
Mercurius	279
Phosphorus	280
Staphysagria	282
Stramonium	283
Anacardium	285
Arnica	286
Ignatia	288
Pulsatilla	289
Platinum	290
Sulphur	292

Miscellaneous Studies

9. CALCAREA SULPHURICA	294
10. SEPIA	303
11. SULPHUR	306
BIBLIOGRAPHY	321
APPENDIX I: Rubrics Referred to in the Repertorisation Tables	322
APPENDIX II: The Minimum Characteristic Syndrome for Each of the Seven Remedies	327
INDEX OF REMEDIES	328
